Dec 1, 2015 [Post #5] When i do restore on Sprint phone on my computer. i got this message "HTC Magic's restore....etc. A: According to the online Google Play Store, this application should work on HTC Magic and Wildfire. I have now tested it on HTC Magic in Germany. To get the HTC Magic device working with the tool, do the following: Download the program from the link above. Boot into fastboot mode on your HTC Magic. Turn off the phone. (Press and hold down the Power button while turning the on/off button.) Turn on the phone. Wait a few seconds until you see the "Recovery..." screen. Hold down volume up/down buttons until you see the HTC logo (if you don't see it, try to reboot a few times). Select the Restore option on the screen. Wait till the file is finished. Release the two buttons. If the restore option is not available on the screen, try to use the fastboot commands, but it's all the same. Now go back and reinstall the software, and restart your HTC Magic.
